**Importance:** High

Hi Amit,

EQM has been tasked to provide a satellite phone in support of the on-water sampling operations taking place under the Gold King Mine ER, TO 9019-011. I have attached the rate build-up sheet and details for this proposed rate.

We had previously proposed this rate to be added to the Contract in 2013, but it was not approved at the time. Therefore, we are now asking for this rate to be approved specifically for this Task Order.

Please call Ron McManamy or me at 425-673-2900 if you have any questions.

Thanks,

Laurie
